August 2024

Dear A Fund Donor,

Abortion access is under attack at the federal and state levels. Since the 2022 Supreme Court decision overturning *Roe v. Wade*, we are operating in a new legal and medical environment. **Rest assured that A Fund has developed new strategies for the post-Roe world.**

In fiscal year 2023-2024, A Fund pivoted to identify and provide new ways to assist women seeking abortion. Since Kentuckians who need abortions now must travel out of state, our primary focus is funding out-of-state procedures, and we also assist with gas and travel expenses. While Kentucky patients are our priority, A Fund has expanded its support of clinic abortions to include patients from surrounding states because of the need in the broader region.

A Fund has expanded its services. We continue to work with a local clinic to **provide long-acting contraceptives** to low income patients. Along with allied organizations, we **supported a social-media campaign** that informs Kentuckians about reproductive options like abortion pills. We **fund full spectrum doula services** to assist low income women in Kentucky, Indiana and Ohio. We have developed a new program partnering with Appalshop to purchase and distribute the over-the-counter birth control pill, Opill, to women in eastern Kentucky. We also work with organizations and businesses to distribute free emergency contraception, like Plan B and Julie.

A Fund, Inc. By the Numbers (FY July 2023 - June 2024):

3,434 – Abortion patients served	\$ 19,800 – Long-acting contraceptives
\$ 380,170 – Total contributions	\$ 10,000 – Social media campaign
\$ 139,121 – Total disbursed to clinics	\$ 14,260 – Other expenses (5.8%)
\$ 59,585 – Full spectrum doula	

In addition to your generous contributions, grants from the National Network of Abortion Funds, Give for Good Louisville and Kroger allow us to expand access to abortion care.

Your continued support makes a real impact in the lives of Kentucky women. **Scan this QR code** to access our PayPal link, or send your donation directly to A Fund using the enclosed envelope.

As you plan your giving this year, **please remember A Fund on Louisville's Give for Good Day, Thursday, September 12, 2024. This year, a major donor has offered to match contributions up to \$10,000**, which means your donation will double its impact. If you want to learn more about A Fund's Give for Good program this year, please contact us at kyafund@gmail.com.

Thank you for your ongoing support!
